Dear Parent/ Guardian

MEMORANDUM

We trust this finds you well.

➤ **Textbooks**

Following our last communication with regards to textbooks and learning materials that arrived during the holidays. The issuing is in progress and as such we would like to bring it to your attention that a few are both a textbook & workbook {*as per the revised curriculum, the materials have been modified to suite the IEB requirements, hence the combined format*}.

Learners offering the following subjects, **Natural Sciences (grade 8 & 9), Biology (grade 10 & 11) , Physical Sciences (grade 10 & 11) & Quantitative Reasoning (grade 10 & 11)** will be required to purchase the combined book at the actual stock price of the supplier. ***Note that individual letters will be sent to you through the affected learners.***

➤ **Friday Lessons: 17 May 2024**

Our teachers will be attending their annual IEB cluster meeting, which will be hosted in **Mozambique (Trichardt School)** this Friday, therefore lessons will be suspended to accommodate travelling logistics. Learners will be given tasks and assignments which will cover the days' timetable slots. School will resume on Monday 20th May ,2024.

Kind regards

Mr. Patrick Tsela
Acting Principal
